April 24, 2018

To Whom It May Concern:

Google is pleased to let you know that Isira Seneviratne has been accepted to participate in the Google Summer of Code 2018 program, which is administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

Isira will work as a Student Developer beginning April 23, 2018 and ending on August 14, 2018, developing open source software for The Wine Project. They is expected to spend 30+ hours a week working on their project. Isira will work from home on their project and will not be required to visit either Google or The Wine Project's offices.

More information on Isira's project can be found at:

<https://summerofcode.withgoogle.com/projects/5704398567636992>

Isira will not be directly employed by Google during participation in Google Summer of Code. The program is administered by Google and Google will act as the host organization for the duration of their participation.

This letter serves as official proof and verification of Isira Seneviratne's acceptance. Alternate proof cannot be provided.

You can learn more about the program on our website at g.co/gsoc. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com.

Best,

Joshua Simmons
Google Summer of Code Program Manager
